FIRM PROFILE

Advanced MIC was incorporated in September 2014 and maintains its head office in Ottawa, Ontario. Advanced MIC provides an exciting opportunity for investors to buy preferred shares in a pool of professionally underwritten alternative mortgages. These mortgage loans generate income through interest and fees which are then distributed as income monthly and followed with a top-up at fiscal year end. Investors enjoy the opportunity to diversify their portfolio and bring them closer to achieving their financial goals.

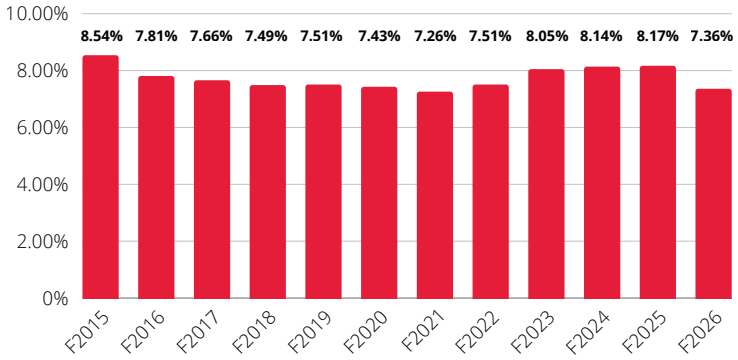

Advanced Mortgage Investment Corporation, or AMIC, is a member of the Advanced Group of Companies and is an Ottawa-based mortgage investment corporation offering preferred shares for purchase by residents of Ontario who are accredited investors or to non-accredited investors as allowed under certain prospectus exemptions. This document does not represent an offering of securities.

ADVANCED MIC'S PERFORMANCE

INTELLIGENT INVESTMENT SOLUTIONS

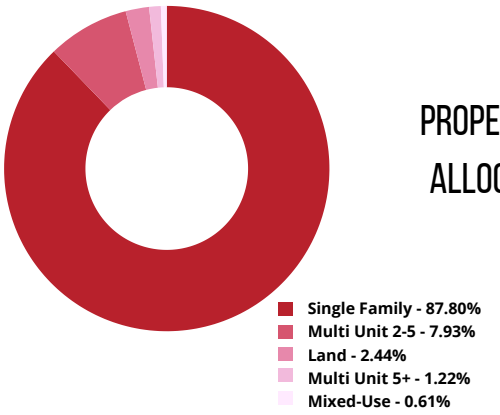

Advanced MIC's business objective is to achieve a steady stream of income through residential mortgage lending. Advanced MIC provides short term, flexible mortgage financing solutions to individuals who may not meet certain financing requirements for conventional (bank) lending. The opportunity to provide mortgage financing at a premium, rewards our investors with a monthly fixed income payment that can be distributed or reinvested throughout the year. Since inception our prudent underwriting policies have allowed our investors to participate in consistent returns without loss of principal or income due to default.
